

Elopement/Vow Renewal/Commitment Ceremony Package

Your ceremony will be conducted on our 1900sf deck overlooking Mt. Craig aka Mt. Baldy. An Arrival Bouquet of fresh seasonal flowers will welcome you to this special interlude. On the day of the ceremony the minister and photographer will arrive with your wedding bouquet, boutonniere, flower topped cake, champagne for toasting, and can even stand in as your witness if needed. Our minister has a civil or non-denominational ceremony to choose from, or you can write your own vows. After the vows, you will enjoy the cake cutting and champagne toast popping the cork from over 8,300 feet above sea level.

You will then be invited to take even more photos to commemorate the day. Your photographer then creates a beautiful custom wedding album from select images of your special day. All of the approximately 40 – 60 photos are also provided online for reorders and enlargements. These are the beautiful images which will bring back the memories of your special day for years to come.

Then, without a drive to the airport and a five-hour flight to wherever, your honeymoon has begun. Our knowledgeable staff can help you arrange spa treatments, balloon rides, hay rides, boat or kayak rentals, tee times at one of Grand County's lush golf courses, or you can just hang out on the deck and daydream about the wondrous new life you have just begun.

2013 Elopement Package is \$2,400 plus taxes and Includes:
